This sample design is especially gifted to you to test for yourself the quality of the designs in the set: The Aquarium Set 1 Large. These beguiling fish fit the 127 x 178 mm (5 x 7 inches) hoop. They will make a tasteful addition to any project. The fish are wonderfully detailed and the fins are painstakingly digitized with manual running stitches. Beware, the stitch counts are high, and the color changes many, but the end result is well worth the effort! When you purchase the set step by step instructions for making the mini quilt depicted below are included with the set.
