These delicate little flowers fit the 127 x 178 mm (5 x 7 inches) hoop size. They have a vintage, almost hand-stitched flavour and would make an elegant addition stitched onto clothing, table and bathroom linens or to decorate your lounge accessories such as cushions or table runners. **Beware, stitch density is quite intense, hoop securely and float an extra double layer of stabilizer under your hoop before commencing the stitch out.**

This sample is provided so you can test and see if you like the design style.
