This lovely sample is provided for you to test the quality of the designs in Crewel Baltimore Set 1 Small (AJD137). The set includes 12 elegant designs that fit the 100 x 100 mm (4 x 4 inches) hoop size. They have a Baltimore style, but crewel elements have been used in them to create a Crewel-Baltimore fusion! They would make an exciting addition stitched on clothing, table linens, towels or to decorate your lounge, curtains or clothing. They are of course perfect for creating lovely quilts. Full step by step instructions for making the lovely table mat depicted above are included when you purchase the set.
