This sample is provided so that you can see for yourself how the designs from AJD143D Antique Rose Combined Set 1 Small will stitch out before committing to a purchase.

The set includes 30 delicate rose scallop designs which fit the 100 x 100 mm (4 x 4 inches) hoop size. They would make an exciting addition stitched on clothing, table linens, towels or to decorate your lounge, curtains or clothing. Stitch the scallops and repeat next to each other to create a beautiful border. Beware, stitch density is quite high so float an extra piece of stabilizer under your fabric while stitching. The end result is worth the effort!

The components in each design are exactly the same as in this sample.
