

Sealife Colours Marathon and Isacord Thread

Dear Friends,

Thank you so much for purchasing my designs. I hope that you will enjoy stitching the designs. Please do not hesitate to contact me if you have any problems. It will be a pleasure for me to help you.

Some of the designs have a lot of stitch directions. Please make sure that you stabilize the designs well so that there will be no puckering of the fabric. Especially on the fish designs you have to stabilize very well. You also can spray your fabric with a spray starch before you hoop the stabilizer and fabric. It helps to prevent puckering.

If you encounter problems with the small satin stitches, you can slow down your speed on your machine.

Enjoy!!!

Regards,
Stephanie Geldenhuys
