#### **1. Stitch Designs**

Stitch 5 of the fuchsia wreath designs.

## 2. Trim designs to correct size

Trim your designs to a block sized 19 x 19 cms.

## 3. Prepare quilt block fabric blocks

Your quilt block fabric is made up of 3 colors:

Cut strips as follows:

- Color 1
  - 8 x 7.33 x 19 cms
- Color 2
  - 8 x 8.33 x 19 cms
- Color 3
  - 8 x 7.33 x 19 cms

Join the 8 blocks together:

#### 4. Prepare outer triangles

Using fabric color 4, cut 3 blocks, 19 x 19 cms and slice in half diagonally.

#### 5. Join the blocks

All your pieces for the main part of the project are now ready and you can pack them out as they should fit together.

Now you must split the pieces into diagonal strips, and sew these strips together one by one.

Strip 3

Strip 4

Strip 5

Now join all your strips together, carefully lining up all the blocks.

6. **Attach border**

Cut two strips 25 x 6 cm and join to opposing slanted ends.

Cut two strips 39 x 6 cms and join to the remaining slanted ends.

Straighten the edges and cut off the little tails along the long edges.

Cut two strips 90 x 6 cms and attach to the long sides. Extend the strip 1 cm past the end of the project on each side.

Straighten off the end where it joins the slanted part of the project.

#### 8. Batting and quilting

Layer your project from bottom to top with backing fabric, batting and embroidered top. Pin securely.

Stitch in the ditch between along the inner blocks and project and border. The picture below shows the back of the project so you can see the quilting lines more clearly.

#### 9. Finishing off

Trim the excess batting and backing off .

Pin bias binding strip to project, right sides facing. In fact, I don't even bother to cut diagonally, as this uses so much fabric – I simply cut and join 5 cm wide strips of fabric. Stitch, turn to back and hand stitch.

YOUR PROJECT IS COMPLETE!
