

LITE HIBISCUS LARGE TABLE RUNNER

1. Cut fabric for center of table mat approximately 50 x 50 cm and mark a square 32 x 32 cm, including cross lines.

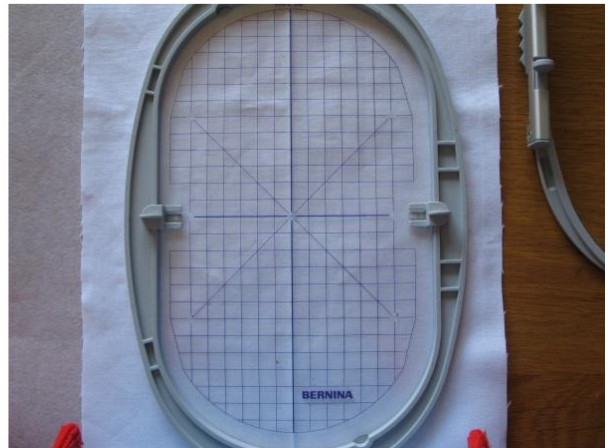

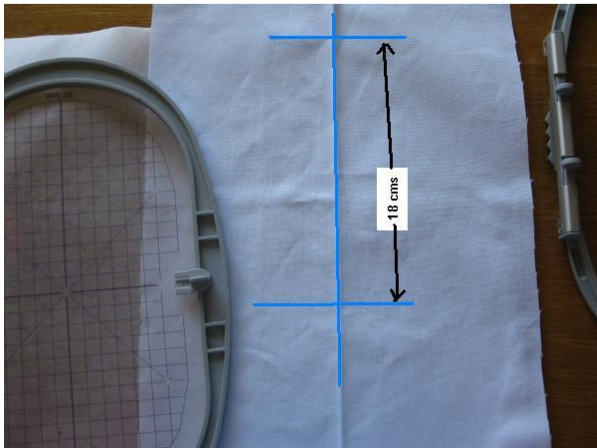

2. Hoop right hand side of fabric for first design, stitch design no. 206. Make sure center of design matches up with center line marked, and right hand edge of design matches up with outside of line.

3. Rotate, hoop, position and stitch design three more times.

4. Cut 2 pieces of fabric 53 x 27 cm for outside border designs. Mark with vertical center line and two horizontal center lines 18 cm apart.

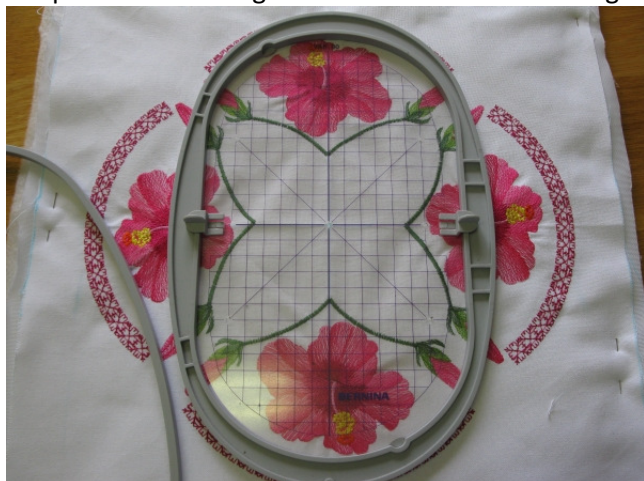

5. Stitch design no. 209 twice on each panel. Your panels are now ready for assembly!

6. Join the panels together and layer on top of batting and backing. Pin.

7. Hoop the center design to stitch blackwork fill design.

8. Stipple the table runner and tidy up the edges.

9. Apply lace over the panel seams and to the long edges.

10. Finally apply fringe, topped by lace to the short edges. Your project is complete!
