This sample is provided for you to test the quality of the designs included in the set: Aljay Mini Set 16 – In the Pink with Quilted Throw.

These delicate rose designs fit the 127 x 178 mm (5 x 7 inches) hoop size. They will add a country charm to any project. The stitch density is low, making the designs quick to stitch out, and giving them a “painted” look. The corner designs can be stitched and mirrored to form a medium solid block, or stitched and rotated 4 times to form a large block or diamond. The semi circle designs can be stitched opposite each other to form a circle. The lacy design fits neatly inside this circle.

When you purchase the set you also get step by step instructions for making the pretty quilted throw depicted below.
