This design is provided so that you can test the quality of the designs from AJD152 Pansy Pleasures Set 1 Small before committing to a purchase. These very realistic pansies fit the 100 x 100 mm (4 x 4 inch) hoop size. There are 12 pansy designs to brighten up any project, but beware, stitch density is high, and the number of color changes numerous to achieve this realistic look. However, the effort is worth it to achieve the final result.
