This free sample is provided for you to test the quality of the designs from AJD153 Pansy Pleasures Set 1 Large before committing to a purchase. These very realistic pansies fit the 127 x 178 mm (5 x 7 inch) hoop size. The set has 12 pansy designs to brighten up any project, including 4 wreaths, 4 corners, and 4 scallop designs. Beware, stitch density is high, and the number of color changes numerous to achieve this realistic look, but the effort is worth the result. Step by step instructions for making handy little bag depicted below are included when you purchase the set.
