This sample is provided so that you can test the quality of designs in this set before committing to a purchase.

The set includes 6 awesome orchid designs to fit the 145 x 255 mm (6 x 10 inch) hoop size. You could add a touch of class to your décor by using them to adorn cushions, table toppers or runners, place mats, or a myriad of other projects. Full step by step instructions for making the striking table topper shown are included when you purchase the set.

Beware, stitch density is high and using extra stabilizer is recommended. I stitched the designs onto black fabric but believe except for the white orchid in the pot, these designs would be better stitched onto white fabric.
