This set includes 12 heart designs fit the 100 x 100 mm (4 x 4 inch) hoop size. They are intended to be stitched onto felt, to make into puffy hearts as Christmas tree decorations. You can alter thread colors to better stand out on the felt color you choose. You can also stitch them onto different kinds of fabric. Fun can be had with these designs by adding extra glitz like rhinestones, Swarovski crystals beads and buttons.

Full step by step instructions for making the puffy heart shown below are included when you purchase the set.
