This free, miniature design as a floral motif will be perfect for ladies handkerchiefs, baby's clothing or accents decorating anything you may imagine.

Use cutaway stabilizer when stitching on clothing. 2 layers of a good, sturdy stabilizer is recommended on the backside.

When stitching on non-wearable items you may use tearaway or WSS (Water Soluble Stabilizer) if desired. Again, two layers is recommended. If stitching on fabric with a pile such as terry cloth or sweat-shirt fabric use one layer of WSS on the top.

To protect baby's delicate skin a fusible cover of soft material such as Sulky Tender Touch Backing or Exquisite Fuse So Soft may be used to cover the back-side of the embroidery. These are only two of many types to choose from.

The color chart used is Isacord 40 but feel free to choose your own thread and color scheme.
