## SHOPPING LIST

Scuba (4 way stretch fabric) or any other fabric of your choice

Batting (Needle Punch)

Embroidery threads

Note: This is not a quilt in the hoop project. After finishing the embroidery add backing and binding to finish your project.

## HOOPING INSTRUCTIONS

**Scuba 4-way stretch fabric can't be hooped the traditional way.**

If using a magnetic hoop, layer the the scuba on top of the batting. Hold the layers together with temporary adhesive spray and/or use quilting pins as shown in photo below. Backing fabric can be added as well and the quilting done through all 3 layers.

**If you are using the pins, remember to remove them as you go as not to stitch over them and damage your machine.**

If you don't have a magnetic hoop, hoop tear away and attach the above mentioned sandwich with temporary adhesive spray.

Included in the set are 10 designs in 8 different sizes: 4", 5", 6", 7", 8", 9", 10" and 12".

The first colour stitch an outline to hold everything together.

**NB!!** As the pattern stitches are quite large, do start with a longer than usual thread tail.

The photo's depicts the 8" blocks.
