Please remember to hoop and stabilize the 160x260 designs very well as these are very large patterns.

Hint

Anytime I am going to stitch out with fabric that has stretch in it I iron on freezer paper directly to the back of the fabric in the area to be embroidered. Even if you are using cut-a-way the paper will wash out over a period of time. It keeps the outline exactly where it's suppose to be as it doesn't allow the fabric to move.
