This design is free standing. Use your favourite water soluble stabilizer. I used three layers of Solvy or one layer of Vilene (best results) and Marathon or Sulky thread both in top and bobbin. After embroidering the design, soak it in the water but not too long to keep some stiffness. Lay it flat on towel or between two towels or soft material, iron while it is still a little bit damp.

If you embroider it on fabric and not on Solvy use thin bobbin to avoid useless thickness.

Use it as gift tag or embellishment on candles, gift baskets, gift cards, towels, as a brooch etc.

Design is available with or without an eye for hanging or fastening a ribbon.

Experiment with colors!
