

The finished size of this bag is approximately 6,5 inches (17 cm) high, 6,5 inches (17 cm) wide and 4,5 inches (12 cm) deep. The side panel of the bag has got a zipped pocket but you can also make it without the pocket or you can turn it around and have the zip on the inside of the bag. There is an additional panel that gets attached to the bottom of the side panel which also is a zipped panel. The side panels pockets have got little vinyl windows which allows you to see at a glance what is inside the pockets. The side pocket panel gets attached to the side of the bag with velcro strips. Plenty of storage space in this one and is very handy for craft classes, sewing classes or going on a trip to pack all those quick to lay your hands on items.
