JHB390 Design detail

A fun project for big or small counting down the days until Santa arrives.
The date panel has a small little box attached to the bottom of the panel where you can store all your number tags and has plenty of space for storage.
The number tags gets attached to the panel with two wooden pegs that are covered with a Christmas tree ornament that slides over the top of the front of the pegs. Button holes provided in the panel gives you the openings in the panel through which you clip your pegs. A piece of ribbon or cord threaded through the button holes as well provide a loop with which to hang up your countdown ornament.
Included in the set is a date panel with no writing on it if you wish to add your own writing from your software or machine fonts.
The finished size of the project is approximately 12 inches (30 cm) tall and 5 inches (13 cm) wide.
