

JHB392 design detail

This set consists of a set of 12 quilts blocks all sewing related.

There are so many wonderful projects you can create with these blocks, from quilts to cushions, runners, bags, sewing machine covers, pincushions etc.

Each block has a stitching outline to assist you in your cutting and sewing. I have used 3 colours for the main design but you are of course welcome to stitch the whole design in one colour. Choice is totally up to you.
