

JHB413 Bits and Pieces Blocks

This set use up all those little pieces of scrap that we all have lying around.

These blocks will look awesome in runners, quilts, place mats, bags, totes, book covers, coasters or what ever project you can think up. I have made an on point bag and I am giving you the instructions on how to make one if you wish to make one and you don't know how. You need 17 blocks for an on point bag but you do not have to use all 17 blocks in this set. You can use your own combination of blocks or just use one block and repeat it 17 times. Every time you will have a different look to your bag. The same goes for what ever project you wish to make. I have also included a matching tab in case you wish to make a bag or need a tab for a book cover etc.

In each file I have put a template of the stitching sequence of each block so that you can see which fabric needs to place next for each design.
