Embroidery Designs For The Creative Mind

Antique Russian Blocks

6x6 hoop

This collection contains 12 beautiful geometric designs, as well as 3 borders, all in rich colors. All designs fit into a 6x6 hoop and would be a wonderful enhancement for your quilts adding an international flair.

Test stitch outs were done on Kona cotton with a mid-weight stabilizer in the hoop with a crisp floater between hoop and needle plate.

Thread colors were chosen from Madeira Poly Neon.
