Embroidery Designs For The Creative Mind

Christmas In Motion

This collection contains 12 uniquely creative Christmas designs. There are stars, reindeer and ornaments to dress up your holiday décor. Make a fun tree skirt, tablecloth or runner, maybe a placemat or two. Add a touch of glitz by incorporating a little metallic thread into the designs. You might think about dressing up some Christmas apparel for that special Christmas party and add a few rhinestones into the mix!

Thread colors chosen from Madeira Poly Neon. Test stitch outs were done with Kona cotton and a crisp, mid weight tear-away stabilizer.

A detailed embroidery pattern featuring a central circular motif surrounded by swirling vines and leaves. The design is composed of two main colors: a dark blue/purple shade (Brunswick 1676) and a bright yellow/gold shade (Karat 1670). The yellow elements include stars and circular patterns, while the blue/purple elements form the larger floral and vine structures. The entire design is set against a solid black background.
