

Camping Coasters

Instructions

1. Frame hoop with water-soluble stabilizer.
2. Stitch placement line
3. Pin your preferred fabric in the hoop.
4. Stitch cutting line.
5. Remove the frame and cut around the edges not too close to the stitching.
6. Continue stitching until you finish the inside of the design.
7. Insert batting and lining underneath the hoop and stitch the cutting line.
8. Remove the frame and cut around the edges not too close to the stitching.
9. Stitch zig-zag tuck down and satin stitch.
10. Cut away the water-soluble stabilizer around the edge of the satin stitch.

.... Done

Enjoy stitching!
