Materials needed:

- Plain, thin fabric for hooping
- Approx. 60x70cm / 24x28 in lining fabric (cut 2) plus fabric for the backing.
- Fabric for the 2 panels
- Fabric for the applique detail
- Fabric for the handles, centre and the upper area (see details further down)

- Low loft batting (try to get a not too soft one, a stiffer one holds the shape much better)
- 505 spray
- Fusible interfacing
- Pliers and press studs
