These designs are free standing. Use your favourite water soluble stabilizer. I used three layers of Solvy or one layer of Vilene (best results) and Marathon or Sulky thread both in top and bobbin. After embroidering the designs, soak them in the water but not too long to keep some stiffness. Lay them flat on towel or between two towels or soft material, iron while they are still a little bit damp.

Use them as gift tags or embellishment on candles, gift baskets, gift cards, towels, as a brooch etc.

Experiment with colors!
