Each appliqued segment is embroidered in three steps. **Step Nr. 1** sews the outline to indicate where to put the applique fabric. In **step Nr. 2** this fabric is tacked down. Then you take the hoop out of the machine, do not release the fabric! Cut out the applique shape around the embroidered line. In **step Nr. 3** the final outline is stitched with bold satin stitches to cover potential frays. Follow the detailed photo instructions in enclosed e-book.
